August, 2015

Dear Sheldon Parents, Guardians, and Students,

Welcome to Sheldon High School! I am looking forward to another outstanding year and would like to personally invite you to become a part of our great Irish Nation by getting involved. This is your school and I, along with my staff, am here to provide a safe learning environment that encourages diversity and challenges each student to reach his/her highest potential. I welcome you to ask questions as well as offer solutions as we work together to teach, support, and inspire your student this year.

Amongst strong academic programs, engaging clubs and solid athletic programs, your student will be afforded numerous occasions to develop skills, embrace new ideas and grow as an individual. Regardless of the activity, Sheldon uses the ROSE (Respect Others, Self and Environment) as a code of conduct that positively represents who we are as a staff, student body, and greater Irish community. I also like to remind folks that it always helps to have a little “luck o’ the Irish” which I translate to mean “the harder I work, the luckier I get!” So please join me in making the 2015-16 the “luckiest” yet!

Sheldon continues to “go green” so please visit our website at www.shs.lane.edu for updated school information, including attendance policies, daily announcements, and current Sheldon events. I also encourage you to set up a ParentVUE account, which enables you to access your student’s grades, attendance and much more. Please call our office at 541-790-6600 for more information or with any questions that may come up.

Sincerely,

Dr. Bob Bolden, Principal
