Sheldon Theatre's production features Matthew Molinari as the Stage Manager (Narrator), Taylor Doble as Emily Webb and Sheen Faulconer as George Gibbs.

**COLLEGE VISIT SCHEDULE**

Nov. 22\textsuperscript{nd}, Friday 10:00 am  
Southern Oregon College

**TIPS FOR ATTENDING COLLEGE VISITS AT SHS**

1. Frequently check the website, Naviance, or e-news for dates and times that representative from colleges will be visiting. New visits are added weekly and occasionally there is a change of day or time.

2. Juniors and Seniors should attend, although younger students are welcome. Attending a visit can help students learn more about particular colleges.

3. Remember that the representative visiting may be the representative that will be on the committee reviewing your application. Be yourself, but also show your ‘best’ side. Doing homework while the guest speaks will not make a good impression.

4. Bring a paper and pencil and a list of questions you might have.

5. The representative may have students introduce themselves, but if not feel free to do so. It is okay to say “My name is _____, and I was wondering if most students live on campus all four years.”

6. Students are excused from class. The Career Center will have an attendance sheet for students to sign. It is the student’s responsibility to check with their teacher ahead of time and complete any missed work.

7. At the end of the visit, thank the representative for their
Both SAT and ACT are now requiring students to upload a picture of themselves when registering. So it is very important to register early so you can make sure you are able to upload a picture correctly. Guidelines for uploading the picture are available on the SAT or ACT website and we have information in the College/Career Center at SHS on this new requirement.
