**Study in Chile**

WANT TO STUDY IN CHILE THIS SPRING OR IN SUMMER 2014? Three spots are
We have three Chilean students right now: Sofi’s at Sheldon, Vicente’s at South, and Alvaro’s at North. They’ll go back to Chile this spring and would like to host students from Eugene for four months. Interested in living in Chile and becoming fluent in Spanish? You’ll enjoy lifelong friendships and learn all about their culture!

---

Flexible dates, 4-month stay: live in Chile and go to a local high school after our spring break during the last trimester, or you can go during your summer break.

---

You will live with one of the students who is currently here in Eugene. You have a chance to get to know them before you go to Chile.

---

This is a great way to know another culture and become fluent in Spanish.
